

Grand Canalscape Phase II Oak Street Pipe Work

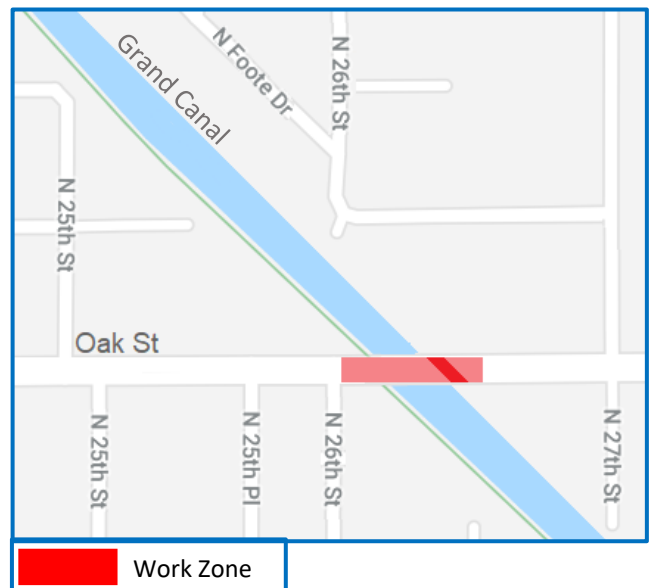

Project Details

The contractor will be installing a new water service line and gate valve along with finishing the installation of the storm drain across Oak Street at the Grand Canal **Tuesday, December 18** through **Friday, December 21**. During this work the contractor will be restricting traffic down to one lane from **8:30 a.m.** to **4:00 p.m.**

Restriction Details

- Traffic along Oak St. will be reduced to one lane during the hours 8:30 a.m. – 4:00 p.m.
- There will be flaggers onsite to assist with traffic in this area.
- The contractor will be backfilling and platting the pipe trench at the end of each shift.
- The contractor will be paving the asphalt patch once done with the pipe installation.
- Traffic delays are to be expected, please plan your trip accordingly.
